FRESH PRESSED PANTS IN AN INSTANT.

Using one of our Pantman pant presses is the easiest - quickest way to look your best, every day.

To operate, simply load both pant legs onto the unit, close, push the activation button, and in minutes you will have a beautifully pressed pair of pants. Think of the money you will save on dry-cleaning bills!

The Pantman works with all kinds of pants and fabrics, from khakis to wools, casual to dress. You will be amazed at how easy it is to use, and how quickly a fresh pressed pair of pants will be at your fingertips. Retail prices start at just \$149.00.
