### VACUUM TABLE WITH ARM AND BUCK

The 526HA rectangular vacuum table comes with two-cast aluminum swing arms, a heated utility buck and a heated sleeve buck. It is a very versatile machine, and is the ideal choice for pressing shirts, pants and jackets.

### CRISP AND CLEAN FINISH

Pressing on a regular ironing board eventually leads to a damp ironing surface, making it impossible to get a clean, crisp finish for your garments. The 526HA with powerful  $\frac{3}{4}$ H.P vacuum motor is the model that more professionals count on.

### FEATURES

- Fast start up motor to save time
- Height adjustable
- Vacuum volume control
- Silicone pad and nylon cover
- Adjustable heating element
- Adjustable iron rest
- 2 heating receptacles for bucks

**Smart. Professional. Reliable. Since 1955.**
