POWERFUL VACUUM MOTOR

Pressing on a regular ironing board eventually leads to a damp ironing surface, making it impossible to get a clean, crisp finish for your garments. The C88 with professional grade vacuum provides the user with the same tools that professionals count on.

THE RIGHT TOOL FOR THE JOB

The secret to great finishing is to keep the ironing table dry by removing steam from the fabric. The powerful vacuum motor on the C88 does this quickly and efficiently. Great for dress shirts, pants, skirts jackets and more.
