### PROFESSIONAL FABRIC STEAMER

The G4m is a professional grade fabric steamer that is suitable for commercial or home use. The steam works by softening the fibers, allowing the fabric to relax. Wrinkles quickly disappear, leaving a finished and attractive look to your clothes.

### BUY IT ONCE, BUY THE BEST

There are a lot of choices in fabric steamers, but the G4m's unique combination of quality components, construction quality and simplicity make it an obvious choice for both pros and homeowners.

Smart. Professional. Reliable. Since 1955.
