SINGLE NEEDLE LOCKSTITCH, WALKING FOOT

For heavier work, the most common type of sewing machine is the single needle, walking foot lockstitch machine. Top and bottom feed, and a higher foot lift allows it to sew from medium to heavy weight fabric.

QUALITY YOU CAN COUNT ON

For sewing leather, upholstery, canvas, and synthetics, the MSK-1541S with safety clutch offers the whole package. Low noise and vibration design, outstanding build quality and reliability and the industries #1 DC servomotor.
