HAND-HELD CUTTER

The XD-1005A is a light, versatile hand-held cutter that is easy to use and easier to learn. Its ergonomically designed body/handle and superior made in Japan quality has made the XD-1005A a best seller for over 25 years.

TIGHT RADIUS CUTTING

The advantage of a small blade vs. a larger blade is the improved maneuverability, and its ability to cut a tight radius corner. The XD-1005A will cut a single ply all the way up to multiple ply's up to ¼" thick.

FEATURES

- Ergonomically designed body
- Double insulated high torque motor
- 6-sided blade
- Built in sharpener
- Carbon tipped counter blade
- Optional round and 8-sided blades available

Smart. Professional. Reliable. Since 1955.
