PROFESSIONAL STEAM IRON

To get professional quality results you need a professional quality iron made with components that will endure the rigors of commercial use. The i30 iron is designed to provide quality dry steam, and with its cork handle is comfortable to use for long periods.

32 CHAMBER SOLEPLATE

The i30 uses an aluminum plate with 32 separate steam chambers, which eliminates condensation even when used with an extra long steam hose. A manual reset thermal fuse, and thermostat with heavy-duty round riveted points ensures safety and longevity.

FEATURES

- Lightweight – 3.9 lb
- 32 separate steam chambers
- Right or left handed use
- Stay cool cork handle
- Thermal fuse

Smart. Professional. Reliable. Since 1955.
