

i702

Professional Steam Boiler

Electrical	220V
Water capacity	2.37 US gallons – 9 L
Operating pressure	Up to 70 PSI – 4.8 bar
Elements	2 – 800 watt each
Iron and brush	Sold separately
Power consumption	10 amps
Tank construction	Stainless steel
Low water indicator	Standard
Steam connector type	Quick-release
Net weight	35.5 lb – 16 kg
Shipping weight	39 lb – 17.7 kg
Product dimensions	12.95" x 19" x 20.5"
Shipping dimensions	16" x 14.75" x 24.25"
Country of origin	Italy
Electrical approval	cETLus
Warranty	Limited 1 year, 3 years tank

FEATURES

- 2 solenoids
- 4 safety systems
- Pressure gauge
- Water level indicator window
- 30-40 minute heat up time
- Up to 8 hours of continuous steam
- Rated for unlimited hours of use per day

PROFESSIONAL STEAM BOILER

The i702 is the most flexible boiler in our line-up. Because it has 2 solenoid valves, it can support any two steam attachments including irons, steam brushes and steam guns. It has become the industry standard for those seeking a flexible, high quality, large size boiler.

IT'S ALL ABOUT THE STEAM

The i702 excels at producing quality, dry, pressurized steam. Pressurized steam is the fastest and most efficient way of ironing. It allows the fibers of the fabric to be softened quicker, with the weight and heat of the iron laying the fibers down flat. This creates the crisp and clean finish demanded by professionals.

Smart. Professional. Reliable. Since 1955.
